

The Cliffs Of Dooneen

D-Dur

Cliffs of Dooneen
CAPO 7

* Instrumental - Intro

You may travel far far from your own native home,
far away o'er the mountain, faraway o'er the foam,
but of all the fine places that I've ever seen,
sure there's none compare with the Cliffs of Dooneen.

Take a view o'er the mountains, fine sights you'll see there,
you'll see the high rocky mountains o'er the west coast of Clare
oh the town of Kilkeen and Kilrush can be seen,
from the high rocky slopes round the Cliffs of Dooneen

* Instrumental (Strophe) ! faster change!

It's a nice place to be on a fine summer's day,
watching all the wild flowers that ne'er do decay,
oh the hares and lofty pheasants are plain to be seen,
making homes for their young round the Cliffs of Dooneen

Fare thee well to Dooneen, fare thee well for a while,
and to all the kind people I'm leaving behind,
to the streams and the meadows where late I have been,
and the high rocky slopes round the Cliffs of Dooneen

2x * Instrumental (Strophe) ! faster chg.
